ANDREW SHARPE (*Executive Director*)

July 16, 2020

Dear IARIW Member,

### **Call for Papers for IARIW-ESCoE Conference on Intangible Capital**

The International Association for Research in Income and Wealth (IARIW), in partnership with the UK Economics Statistics Centre of Excellence (ESCoE), is hosting a conference on the measurement of intangible investments and their implications for growth and productivity at King's College London, June 24-25, 2021. The main aim of the conference is to bring together academics, statisticians, policymakers and other data users interested in the measurement of intangibles to take forward an agenda for understanding the importance of these rapidly growing investments. The call for papers for the conference is posted at <http://iariw.org/call2021london.pdf>.

Persons interested in presenting a paper at the conference are invited to submit a proposal by October 31, 2020 through the submission portal at [http://iariw.org/paper\\_submission2021london.php](http://iariw.org/paper_submission2021london.php). Decisions on proposals will be communicated by December 15, 2020. Selected papers from the conference will be published in a supplementary issue of the *Review of Income and Wealth*.

### **Registration Needed for SNA Digital Session**

Members are reminded that the Association is holding a digital session on the SNA update on August 26, 2020. The program for this event is found at [http://iariw.org/c2020sna\\_update.php](http://iariw.org/c2020sna_update.php). This session has originally to be held this summer at the 36<sup>th</sup> IARIW General Conference in Oslo. Given the tight deadline to obtain input from SNA users and outside experts for the SNA update process, it was decided to hold the session now rather than to wait until the rescheduled 36<sup>th</sup> IARIW General Conference, which will take place in Oslo August 16-20, 2021. All IARIW members are invited to attend the session electronically. There is no registration fee, but members must register in advance at <http://iariw.org/registrationSNA.php>. The

deadline for registration is August 23, 2020. Shortly before the conference, all persons registered for the session will be sent the Zoom link and password.

### **Podcast Available for HSE Conference**

The IARIW co-sponsored a session on the economics of income and wealth issues at the XXI International Academic Conference on Economic and Social Development organized by the National Research University Higher School of Economics in Moscow this spring. The program is posted at <http://iariw.org/2020moscow.pdf>. Members are welcome to access the podcast on [YouTube](#).

### **Reminder to Vote in 2020 IARIW Council Election**

Members are reminded that the deadline for voting in the election for IARIW Council members for the 2020-2024 term is August 15, 2020. For members who have not already voted, the electronic ballot, with links to the bios of candidates, can be accessed at <https://www.surveymonkey.com/r/X58X3YP>. A list of persons who have already voted as of July 15 is posted at [http://iariw.org/councilvotes\\_2020.pdf](http://iariw.org/councilvotes_2020.pdf).

If you have any questions about your membership in the Association, please contact me.

Sincerely,

Andrew Sharpe
